Dear Debi,

I am pleased to write in support of your organization's efforts to establish The Michigan WWII Legacy Memorial.

It is my understanding that your organization plans to build a memorial in Royal Oak honoring Michigan residents who served in the armed forces and on the home front during World War II. I commend the project's broad community support and strong partnerships. Michigan has a rich and unique World War II history, serving as the "Arsenal of Democracy" and the home of Rosie the Riveter. More than 600,000 Michigan residents served in the armed forces during the war, and this memorial is a fitting tribute to the sacrifices of all the Michiganders who fought for our freedom and the preservation of our democracy.

I applaud your efforts and look forward to hearing about your progress.

Sincerely,

Debbie Stabenow  
United States Senator
